ABOUT LAW ADVISORY GROUP

LAG'S CREDENTIALS. Since 1987 we have trained more than 200,000 law enforcement officers, educators, attorneys, probation officers and others who work with juveniles.

We helped the Florida Atty. General's office develop a school violence initiative more than a dozen years ago. As a result, former Texas Governor Ann Richards asked us to help with that state's Juvenile Crimestoppers program.

Founded by the widow of a Police Detective who died in the line of duty, who was herself a school nurse, the Com-

pany teaches student and staff safety through effective use of law.

OUR BOOK, "Safety, Order and Discipline in American Schools" has sold over 50,000 copies and is a virtual "bible" for daily reference in schools and police departments in 38 states. If you can't attend, you can order it separately at

www.lawadvisory.org/publications/book2011.htm

Each participant receives a certificate showing 6.0 contact hours for submission to your accreditation authorities. Call (800) 543-0212 for additional information.
